Imagine living in a quieter time - a time when neighbors cared about one another, when the world seemed safer, when the QUALITY of life was more important than the QUANTITY of life. Thankfully you can live there today.

- Enjoy the company of neighbors while strolling on the private drive or relax in the privacy of your pool and spa in the secluded backyard.
- Plenty of room to spread out! Three spacious bedrooms including the main floor master. Two and a half baths.
- Work at home in the cozy office. You can enjoy a view of the pool area while keeping your nose to the grindstone!
- All the original charm of a home built in 1940, beautifully maintained and modernized with a new kitchen and newer central heat & air for today's lifestyle.
- The best neighborhood in Long Beach. Close to shopping, freeways and Virginia Country Club. A place you'll want to call home for years to come.
